This detailed site plan illustrates a residential development in the Sommeraublick area. The central focus is a residential building (Wohnhaus) with a plot area of 288.30 m² and a floor area of 868.30 m². It is surrounded by several other plots, including 5/53, 5/54, 5/55, 5/56, 5/57, 5/67, 5/70, 5/71, 5/72, 5/65, 5/66, 5/22, 5/23, 5/32, 5/44, 5/20, 5/19, and 5/52. The plan shows various infrastructure elements such as roads (e.g., Sommeraublick, EGT Energie GmbH), utilities (e.g., Wasser, Abwasser, Gas, Strom), and parking areas (e.g., Stellplätze, Garagen). Key features include a central residential building, a garage, a fire station (Feuerwache), and a water tower (Wasserwerk). The plan also includes a detailed cross-section (Schnitt 1) of the building and a table of dimensions and areas.
